The region's youngest artists are invited to submit artwork to celebrate BIRDS this EARTH DAY! Individual artists, groups and classes (school or rec centre) are encouraged to take part in this opportunity to show off your creativity. Sprout wings! GREAT PRIZES!

### HOW TO ENTER:

Create paintings, drawings, sculptures from clay, or mix things up with various materials. If you have an idea and aren't sure if it fits, just email gallery@coastcollective.ca to check!

Groups of children, or entire classes are also encouraged to participate with collaborative submissions as well. We are eager to welcome a wide variety of work celebrating the amazing variety of local birds along with the many birds that enjoy our coastline for seasonal migration.
